## Experienced & licensed

**T**rent Marles is the owner/operator of Trent's Plumbing & Gas in Victor Harbor. Although the business itself was only established in 2015 Trent himself has been in the plumbing trade locally for more than 15 years.

He is a licensed plumber and gas fitter (PGE260153) and is fully insured.

He has grown up in the southern suburbs and Fleurieu Peninsula and has demonstrated a strong commitment to the community through being actively involved in the Port Elliot Surf Lifesaving Club and Victor Harbor Hockey Club. He is also a former MFS firefighter in Victor Harbor.

His easy-going, friendly personality and passion about providing quality customer service has won him a growing client base, including several local major businesses such as hotels who require a prompt and reliable service.

## Reliable local plumber & gas fitter

If you're tired of being let down by a plumber or gas fitter who makes an appointment and doesn't turn up or simply doesn't get back to you when you've left a message, then give us a call at **Trent's Plumbing and Gas** in Victor Harbor. Whether your needs are small or great, we pride ourselves on providing a quality and reliable service to all of our clients.

**Trent's Plumbing and Gas** stands by their motto of "One call and your problem's solved." We offer a **same day service for emergency repairs**.

Our range of services includes

- **Plumbing maintenance**, including taps;
- **Hot water systems** – installation and repair, including solar hot water systems;
- **Bushfire Protection Systems** (Trent is a former MFS firefighter);
- **Gas fitting**, including repairs & installations to stoves and heaters;
- **Guttering and spouting** repairs & installations;
- **Drain cleaning**;
- **Rainwater tanks** – sales and installation;
- **Septic tank** installations & wastewater treatment.

Since starting our business in 2015, as well as servicing local domestic clients, we have attracted a wide range of local corporate clients, including local hotels and builders, who have appreciated the services, reliability and professionalism we offer them locally.

*Craig and Trent from Trent's Plumbing and Gas are qualified, professional and experienced in assisting local corporate clients.*

## Safety is our priority

In today's world you can't be complacent about safety and we at **Trent's Plumbing and Gas** recognise this. Our team is fully trained and qualified to deal with OH&S matters, including safety data sheets.

We are fully-insured, licensed and guarantee our workmanship. Our staff ensure they keep up to date with the latest safety and product training to ensure that the job is not only done professionally but also with a minimum of risks to you, your staff, clients and property.

Our team members are non-smokers and we like to think we enjoy our jobs so there's no need for foul language or abuse while on site.

Whilst recognising our job can be a dirty one, we aim to ensure we leave the premises as clean, if not cleaner, than when we arrived. We try to get the task done as quickly and efficiently as we can to minimise disruption to your business.

*Trent provides a very professional approach to his work. He is enthusiastic and he and his skills are certainly reliable. We are always happy with his work on our various job sites - Amelia Egan, Egan Builders*

*Trent's Plumbing & Gas have provided a prompt and reliable service for us. Trent is a good bloke and we are pleased to have him to call on when we need him. - Andrew Hill, Grosvenor Hotel*
